ADEIL High School / College Course Award and Excellence in Support Service Award

Course Awards honor outstanding **pre-collegiate level (9-12)** and **college-level** credit courses taught during the 2020-2021 academic year. This includes any distance education or online learning course - new or rewritten/revised.

Submit a video presentation (between 10-15 minutes in duration) of your course with narration (audio and/or text) that highlights how you effectively use instructional materials, activities, assessments, etc., in a distance learning environment.

**Winning courses
receive \$100 stipend**

The Excellence in Support Service Award is given to an individual who has contributed to support distance education/independent learning; the award recognizes the person's outstanding contributions and innovations to a distance education program via courses, recruitment, orientation, etc.

To nominate someone, write a letter describing the scope and relevance of the person's contribution to distance education/independent learning.

**Support Service winner
receives \$50 stipend**
