

ADEIL 31th Annual Conference: Rethinking Education in an AI World

Call for Presentation Proposals

Showcase your cutting-edge strategies, research, learning designs, technology tools, and ability to connect with students by presenting at **ADEIL's one-day, free virtual conference on October 18, 2023, from 10:00 am – 5:00 pm (EST)**. Share your knowledge with colleagues and peers to connect creatively and build your network of skilled professionals and educators! We are looking for informative presentations for all levels (basic through advanced) from you, the experts in distance education and independent (asynchronous) learning.

Proposal Submissions

All proposals must be submitted via the [online proposal form](#). Proposals that solely promote commercial products or services will not be accepted.

Proposal Submission Timeline

- Submissions Deadline: July 31, 2023 by 11:59 pm EST
- Acceptance Notifications: September 8, 2023

Session Format

- Concurrent sessions: 30-minute presentation | 15-minute Q&A
- Presenters will have the option to include audience participation (group discussions, breakout rooms, chat, polls, etc.)
